## Potential Beauty Queen Welcomed

The Jack Langford household at 310 West 11th Place, Los Angeles, recently welcome 6 lbs. and 5 oz. of potential beauty queen in the person of little Ella Mae, who was born August 22 at Gardena Hospital.

Mother of the blue-eyed, black-haired little miss, was formerly Miss Jo Ann Harlan, who last year participated in the Miss Torrance contest. Also in that contest was a close friend of the former Miss Harlan, Ella Mae McLeod, for whom the newcomer was named. Miss McLeod, incidentally, also has black hair and blue eyes.

Mamma Jo Ann is a graduate of Torrance High, while her husband Jack is a Redondo Union High alumnus.

Proud maternal grandparents are Mr. and Mrs. Leo Harlan of 2121 Andree street, Torrance, who are especially excited over their first grandchild. . . grandpa Harlan, a local photog, will no doubt be very shutter-happy whenever he sees his cute little granddaughter.

Little Ella Mae is the first girl grandchild for her paternal grandparents, V. C. Langford of Chino, California, and Mrs. Florence Langford of Hermosa Beach.

## Day Classes For Adults

At Walteri, a lampshade making class will be held in the Walteri Recreation Building from 1 to 4 p.m. on Thursdays with Mrs. Viola Boas as the instructor.

A class in child observation will meet under the direction of Mrs. Louise Steyer at McMaster Park, North Torrance, on Wednesday mornings 9 until 12. Knitting will be taught by Miss Florence Hoyle at the Torrance Women's club on Mondays from 12:30 to 3:30 p.m.

## Your Health

Your most precious asset is your health. Without health life becomes a problem and you become a burden to yourself and your loved ones. If destructive physical ailments are detected in the early stages, it is often possible to relieve a great many of them before the condition has reached the point where surgery or other drastic measures are necessary to save the patient's life.

### MODERN EQUIPMENT

Your health deserves the most pleasant and congenial surroundings at all times. This is especially true when you are below par and go to a doctor for treatment. Our beautiful and completely equipped office was designed by an architect for the purpose for which it is being used, namely, that of treatment of illness by physical, or natural methods. Our office is completely air conditioned, lighted by daylight, as well as the latest type of indirect lighting.

### AN INVITATION

Our methods have been of great help to those suffering from either acute or chronic conditions. If you are bilious, bothered by gas, headaches, insomnia, nervousness, palpitation, constipation, liver and gall bladder ailments, kidneys, prostate, loss of strength, muscle and joint pain and many other conditions, you are cordially invited to the Torrance Chiropractic Center for examination. We work by appointment, thus assuring you that there will be no long wait, and that your consultation and examination will not be hurried. When our examination is complete you will be given a courteous presentation of our findings in simple terminology which you will appreciate. Remember, our examination, or trial treatment is not expensive. The price for examination is still only \$3.00. We invite you to come in to our modern office. Just call and the receptionist will make a personal appointment for an examination by our staff.
